

Healthcare cost transparency is a major concern for patients, but learning a price for your medical imaging can still be both challenging and confusing. At Advanced Radiology, you could save thousands of dollars, and benefit from the highest-quality physicians, technologists, and technology available.

#KnowBeforeYouGo

**CHOOSING THE RIGHT IMAGING PROVIDER
COULD SAVE YOU SIGNIFICANT \$\$\$\$**

We don't add the Facility fees, Technical fees and Professional fees that hospitals and other outpatient facilities do, and you enjoy the savings.

Subspecialty-trained physicians, leading-edge technology, modality-specific technologists, certified by the American College of Radiology.

- Lower cost* - no surprise fees
- State-of-the-art technology
- Subspecialty-trained physicians
- Experienced, modality-specific technologists
- Convenient locations
- Easy patient and physician access to reports and images

By combining the highest quality with reasonable cost, Advanced Radiology provides the greatest value for you, our patient.

* Based on self-pay surveys for specific exams. Please contact your insurance provider for specific information about your plan.
