

Congratulations to our Radiologists recognized as Top Doctors in Connecticut

Advanced Radiology is proud and honored to be the practice of choice for many of the Top Doctor award winning Radiologists in Connecticut!

Advanced Radiology has served Connecticut for more than 115 years as one of the largest and most experienced radiology practices in the Northeast. We are committed to providing exceptional care with our state-of-the-art imaging centers and highly skilled and dedicated staff, along with the expertise of our sub-specialty trained radiologists.
